Statement of Waiver:

I, the undersigned, hereby represent that I, either personally or through my agent, am renewing the domain name ("Domain") below as an agent for the current registrant/registered name holder of the Domain. Furthermore, I understand and agree that any rights, claims, privileges, and benefits that the current registrant or I may have now or obtain in the future regarding the Domain will not be affected in any way by my renewal of the Domain's registration when I am not the current registrant of the Domain. I understand and agree that third-party renewal payments to directNIC must be by bank wire, Western Union, or check and my failure to provide complete and accurate information will delay the processing of my request and may cause the domain to expire and be lost. I further agree to discharge and hold harmless directNIC and its subsidiaries and affiliates along with all of their directors, officers, employees, agents, shareholders, partners, and members from any and all claims, liabilities or demands that are in any way related to the type of payment, the Domain, and directNIC.
